Advanced Brief & Narrative Therapy Certificate Program

Affordable, high quality advanced training

This advanced level training program offers you the next step in developing your knowledge and skills in brief and narrative therapy. The program offers a unique combination of teaching and live practice with the world's leading trainers in narrative and brief therapies. The ten days will include teaching, practice exercises, review of recordings of actual therapy sessions and live work with clients that is facilitated by the faculty with your active participation as witnessing therapists and teams. The emphasis in this program is on focused micro-skill development through integration of up-to-date theoretical knowledge and practice.

60 hours of teaching, discussion and live practice with clients

**Post-training option for 5 group supervision sessions with Karen Young*

Course Prerequisite:

Completion of a Windz 5-Day certificate program, The Brief & Narrative Therapy Certificate Program (previously called the Narrative Therapy Training Program), or an equivalent amount of training with Karen Young will also be considered.
